Five Reasons to Celebrate: Studio Hue Celebrates its Fifth Anniversary with Flair

ERIE, PA (March 4, 2010) – Chair massages. Live music. Henna tattoos. An art exhibition. Fun activities and more! Studio Hue is celebrating its fifth anniversary on Friday, March 26 from 5:30 – 7:30 p.m. with a variety of activities to thank the community for its support during the past five years.

Studio Hue is located at 2100 West 8th Street, Suite A and has worked with passion over these past five years to be Erie's premiere eco-friendly salon, most recently with the addition of John Masters™ Organics, a luxury beauty line that treats the earth with respect.

John Masters Organics joins these other earth-friendly products offered at Studio Hue: Eufora, SidLab, Organic Color Systems and YO.Color. Judy Meyn, Studio Hue owner, strives to educate the community on Studio Hue's mission to offer unique options that demonstrate the salon's respect for our planet. Everything, from appointment cards that are printed to recycled stock with organic ink, to recycling the salon's hair clippings to Matter of Trust, an organization that converts the clippings into hair mats and barriers to help contain oil spills and as garden fertilizers, look out for both the benefits of Studio Hue's clients and the of the world.

The celebration begins at 5:30 with live music by Brian Carroll Hunt, chair massages by Carolyn Karle, CMT, Henna tattoos by Sacred piercing and local artist, Brian Payne showcases his work with an art exhibit. All products are 20% off and there will be prizes, refreshments and more to celebrate the salon's milestone. The public is invited to attend.

More information is available online at StudioHueHair.com and complimentary consultations are available by calling 814.452.4310.
